## EDUCATION

### BACHELOR DEGREE
2020 - 2023

UNIVERSITY OF BUEA

learned a lot through my coursework and extracurricular activities. Gained a deeper understanding of my chosen field of study, developed critical thinking skills and expanded my knowledge through engaging discussions and lectures. In addition, i also had the opportunity to make new friends and expand my horizons through interactions with my classmates and community members. By participating in group projects, attending community events, and volunteering, i have learned to collaborate effectively with others and appreciate different points of view.

## PROJECTS

### DEPUIS E-WALLET
2023

This system allows users to fund their account, transfer funds and withdraw from their account. I use nodejs, javascript mysql and express to build this application
